SOME GIFTS MARK A DAY

A few return with us to ordinary days.

Christian Gifts USA brings Scripture, durable materials, and small-batch hand-stitching into practical objects intended to be used rather than stored away.

A TRUE ORIGIN

Verified designs are developed collaboratively with a traditional leather workshop in Turkey's Aegean region, then hand-stitched there in small batches.

BEFORE ASKING FOR ATTENTION

We made something useful.

A free Faith Tools library for short, repeatable moments with Scripture.

- Resource feature
- Retreat reading practice
- Editorial craft-and-faith story
- Private feedback without endorsement
